Dedication

The graduating Class of 1957

gratefully dedicate this annual to

Reverend F. H. Cronkhite. It is our sincere hope that through this dedication we can express our thanks and appreciation to him for being a wonderful class advisor and annual advisor during our Senior year. Through his efforts and able guidance we feel that we have succeeded in all our attempts this past year. His likeable personality made him a friend to all of us, and his personal interest in each of us will be remembered always. Thank you, Reverend Cronkhite, for being an inspiration to the Senior Class of 1957.

WITH HONOR

WE

PRESENT

OUR

ADMINISTRATION

AND

FACULTY

MR. JOHN W. CROWLEY

Superintendent, Lakeland School District No. 272

Our Principal and "Coach" . . .

MITCH KIBLEN

Our Principal Says,

We have an excellent school at Rathdrum. The spirit of co-operation of the school board, teachers, students are responsible for this.

Having always believed there is room for improvement, I feel it is possible that we may even have a better school by unifying personal interest to the interest of the group, school, and community.

Our Superintendent says,

When the school term is over, we are often reminded of events in the past and what effect they will have in the future. Success is what we are looking for, but sometimes the more up-setting events are predominant. They seem to overshadow or at least cloud what we have achieved. So we can say the future will appear to us in relation to what we have contributed in the past.

As many students before you have contributed to the development of your school and community, you also will leave a mark of distinction which can be a credit to your efforts. If your contribution has been based upon respect and honesty to others as well as to yourself, then your participation in school and community life will be a credit to you.

To the students of Rathdrum High School, I wish you the best in all your future endeavors.

This is the group who helped to inspire our basketball team to become conference champions and also tournament champions this year. You could always expect to hear them playing the latest in popular tunes and our beloved "fight song" at all our home basketball games and pep rallies.

We thank the members of the Rathdrum High School Pep Band and their able director, W. J. Burns, Jr., for a job well done. When we look back at our high school days, an outstanding sight will be this great Pep Band.

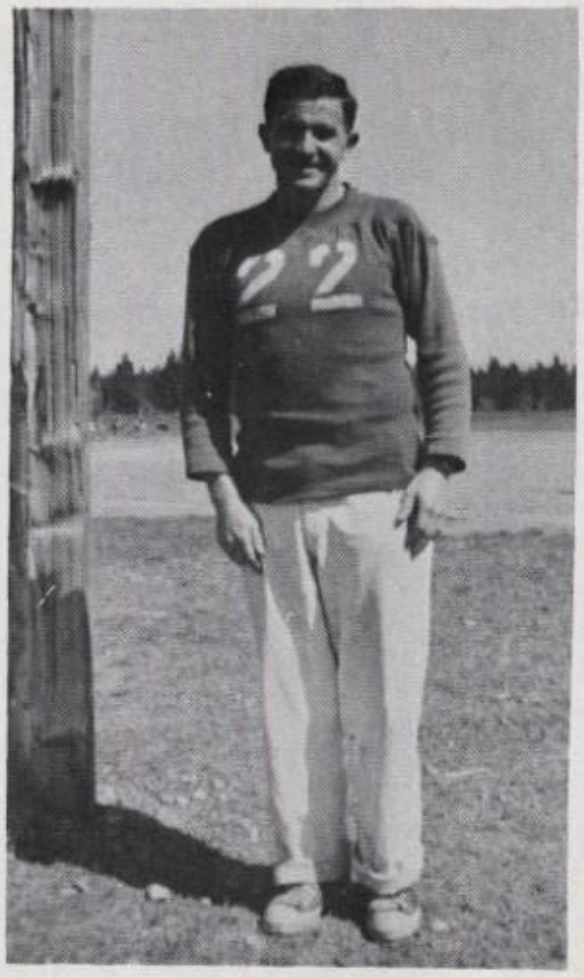
Tribute to Our



Coach

We offer a special tribute to our Coach, Mitch Kiblen. We know that it was through your valuable guidance that our boys became conference champions in both football and basketball this year. Another achievement, this year of yours, is the fact that we became the Champions of the Class B. Basketball Tournament on February 26, 1957. Yes, this has been a wonderful year for sports at Rathdrum High School, and we owe all our success to you. For through your constant help and untiring efforts, you have made champions who will never forget you.

A highlight of our sports year was when our boys became champions of the Class B Basketball Tournament, for the second consecutive year, by winning over Priest River 51-47.

We are proud of our fine team and our coach for achieving this high honor.
